February 22, 2019

Dear Mr. Kane:

With this letter, we acknowledge receipt of your request for public records pursuant to the Nevada Public Records Act ("NPRA"). See NRS 239.

As you likely know, a new administration took office January 07, 2019. We have nearly completed the development of our internal processes and procedures necessary to efficiently respond to such document requests. I appreciate your patience this month as we have developed these.

I would note that your request, which includes "any and all communication from the last five years between Adam Milstein, Tuvia Milsztein, the Milstein Family Foundation, the Israeli-American Council, the Israeli-American Coalition for Action, IAC, IAC for Action, and the Nevada Governor's Office" on the topics of "Israel, anti-Semitism, Palestine, Students for Justice in Palestine, BDS, the boycott, divestment and sanctions movement, boycotts of Israel and Nevada Senate Bill 26 (AKA SB 26, passed in 2017)," is exceedingly broad and will require time to identify and collect a universe of potentially responsive documents, should any exist. After our IT personnel develop the universe of potentially responsive documents, I will review the documents for various privileges, Personal Identifying Information, and items otherwise subject to confidentiality by Nevada law.

As you are likely aware, your requested timeframe, from the date of your letter, February 4, 2019, through the previous 5 years, would encompass almost entirely the administration of former Governor Brian Sandoval. If you can narrow your NPRA request by timeframe or subject matter, this will speed our internal collection and review process. Otherwise, please anticipate receipt of any responsive non-privileged, non-confidential documentation by May 31, 2019. We will work to provide documents sooner, but a request of this size and scope will take some time to produce.

I thank you for your patience with us as we have on-boarded staff and developed response protocol for public records. If you have any specific questions, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brin Gibson". The signature is fluid and cursive, with the first name "Brin" being more prominent than the last name "Gibson".
